Dear Melissa:

Thank you for W.J. McNabb's donation (check # 3737 in the amount of \$300.00) to ABOARD'S Autism Connection of PA. Your support helps us provide a lifeline to support families and individuals affected by autism. We work to provide a lifeline for families and individuals affected by autism. We provide advocacy, education and support.

We have a huge mission and a limited budget. Every dollar you donate goes to support our region's families and adults who struggle with autism. Each year we: counsel thousands of callers, send them individually tailored resource packets, and produce popular weekly e-blasts about autism issues and events. Our website has had over 89,000 views to date. The Autism Connection of PA also hosts accredited conferences several times annually. None of this would be possible without support from people like you.

Last year, we have helped our community better include those with autism and related disorders. By training other nonprofit leaders and staff from organizations such as The Pittsburgh Cultural Trust, The Pittsburgh Ballet Theater, Outdoor Classroom, and Three Rivers Rowing, we leverage charity funds while weaving our population into the fabric of society in positive and lasting ways. Ongoing plans include training for regional emergency management personnel and homeless shelter staff with a goal of increasing awareness and improving policies and procedures related to the ever-increasing population of people with autism.

Your attention and contribution give us much needed moral and financial support as we work hard to deal with one of the most mysterious and complicated health issues of our times.

In gratitude for your generosity,

Luciana Randall  
Executive Director
